CLASS SONG: (To the tune of "Moments to Remember")

The school we love, so fair and bright,
Has brought us joy both day and night.
We will have these school days to remember.

The football games, the noisy crowd,
The cheering sections yelling loud.
We will have these moments to remember.

The friendships we have made here
We'll remember all our lives.
We'll cherish all the memories
Tho' far away we'll be.

But now we leave our teachers here
Who guided us throughout the years.
Our high school days we will remember.

Remember these? Of course we do,
The carefree times and parties, too,
In the years ahead we'll still remember
Semester tests, the prom in May,
And who forgets our own Class Day?
Everyone's a treasure we'll remember.
Commencement may mean many things to those of us who go,
But in the hearts of all of us the tears do softly flow.
We say good-by; our hearts are sore,
And in these hearts for evermore
We will have these moments to remember.

SUPERINTENDENT OF SCOTTDALE SCHOOLS

DR. CLINTON M. PUFF
Maryville College, A.B.
University of Pittsburgh, M.ED., Ph.D.

To the Class of 1961:

Congratulations upon your graduation from the Scottdale Joint High School.

The purpose for which schools are established and supported by taxes in America is to develop citizens who will perpetuate the American ideals of freedom and justice and democracy. Let me impress upon you the importance of educated citizenship.

You are the people who are going to carry on what other generations have started. When your parents and teachers have gone, you will attend to the things which they thought important. You will assume control of our cities and states and nation. You will take over our churches, schools, universities and corporations. Every one of you is a V.I.P. — a Very Important Person — for only by your efforts will freedom and justice be preserved as ideals of government, and if peace is to be established as the way of life in this world, it is only you who can make it so.

For this great destiny the schools have trained you. To this great task we now commend you. May the God of Peace direct your efforts and crown them with success.

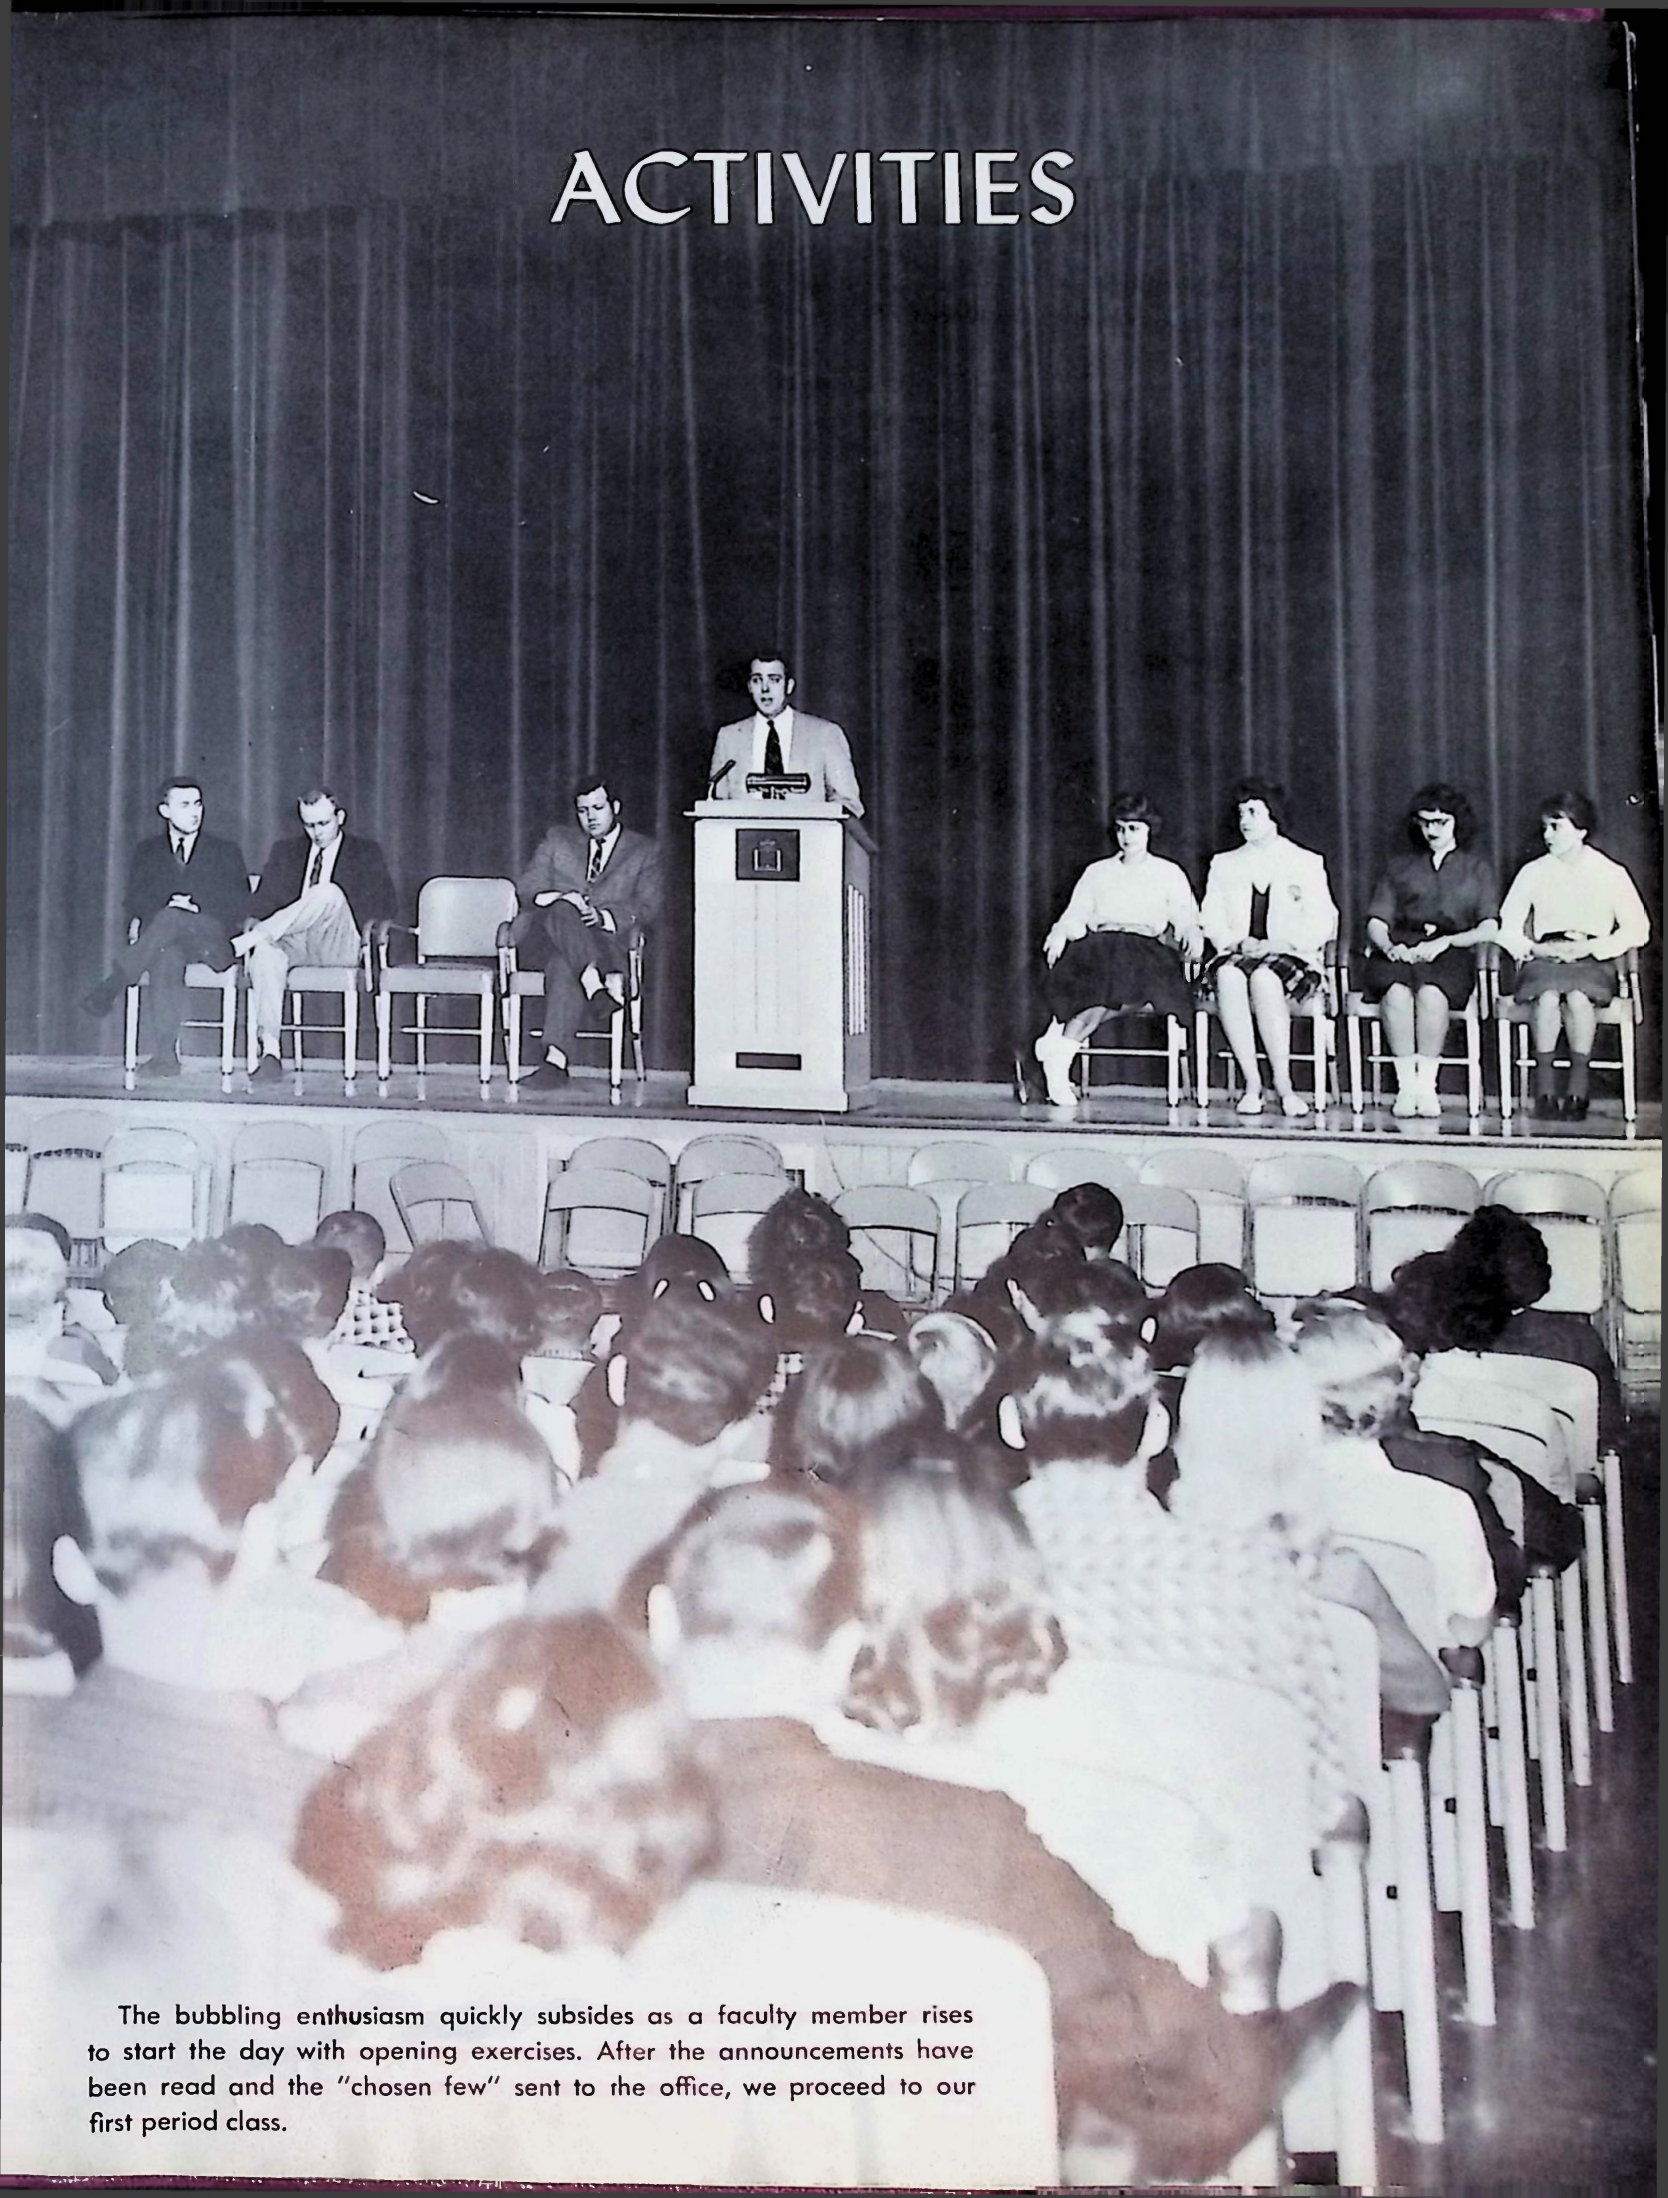
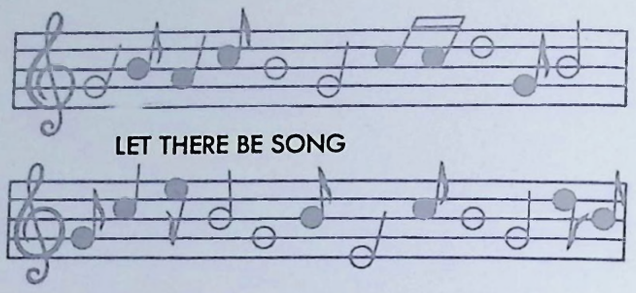
ACTIVITIES



The bubbling enthusiasm quickly subsides as a faculty member rises to start the day with opening exercises. After the announcements have been read and the "chosen few" sent to the office, we proceed to our first period class.

CHORUS OFFICERS: Donna Badini, secretary; Rodney Sturtz, treasurer; Jack Bluhm, president; Kathy Babiak, vice-president.

THE SCOTTIE



Composed of sixty members of the sophomore, junior, and senior classes, our chorus is a group of which we can be duly proud. This year's group boasted one of the finest in several years.

Under the able direction of Mrs. Alice Martz, the chorus put on "THE MIRACLE OF THE INN" for its annual Christmas program. The art and instrumental departments added their combined talents to the program which was presented to parents and students before the Christmas holidays.

Every year, representatives are sent to County, District, and State Choruses. Occasionally a member may even attend National Chorus. This year's attendance at County Chorus was as follows: Barbara Banks, James Banks, John Bluhm, Sandra Hixson, Marsha Maust, Carol Myal, Jean Myal, Patricia Myal, David Newlin, Karen Petenbrink, Rodney Sturtz, Edward Thornblade, Jackie West, and Nancy Yoder. Attendance at the other choruses followed later in the year.

There is also a girls' ensemble which provides entertainment for assemblies and other programs. .This may range from sacred songs at Easter to light-hearted spring numbers or simply leading the student body in singing Christmas carols.

At Commencement time the remaining senior members combine with the ensemble for the exercises. This is always sad for it is the last time the group sings together for the seniors must now leave.

The group works hard for the various programs throughout the entire year, but there are also times for fun such as the annual picnic in the fall. This consists of an evening of fun and food which usually ends by singing old chorus songs around a fire.

Pins for the senior members are fitting rewards, but truly the most satisfaction comes to the group from knowing the student body and faculty take pride in their fine performances.

NATIONAL HONOR SOCIETY

The Honor Society of Scottdale Joint High School was started in February, 1944, and in 1953 they became affiliated with the National Honor Society. The four qualifications for membership are: scholarship, leadership, character, and service.

Students are selected for membership by the faculty and the results are kept secret until the induction service. Three percent of a class is taken in during the second semester of the junior year, five percent more in the first semester of the senior year, and two percent in the second semester of the senior year.

New officers are elected every semester. That is why the National Honor Society has two sets of officers.

During the year they sold Christmas candles and novelties, Scottie pinwheels, and stationery.

Miss Laughrey is sponsor of the group.

The Scottie band under the direction of Mr. George Hazen is composed of fifty-five members from both the junior and senior high. The band, with the addition of eight high-stepping majorettes, makes its first appearance during football season. In addition to the fine halftime performances the members present at every football game, they exhibit many fine formations and drills, they have performed at all the pep rallies and at many assemblies. The band, in their new blue and white uniforms, have also marched in the parades of Scottdale and the surrounding towns.

Band Director, Mr. Hazen

Playing for football season is not the band's only purpose, however. After the final game, the band spends time practicing music for assemblies, for the spring concert, and for Commencement. Throughout the year, selected members represent our school at County, District, and Regional Band.

When praise and honors are distributed, our band is often overlooked. We would like to take this opportunity to express our thanks to the members of the band, and especially to Mr. Hazen, for their fine efforts in behalf of our school. We're certain that the band will continue to be an outstanding leader in our school functions.

With graduation the Scottie band will have lost eleven members: Barbara Banks, Saxophone; Linda Devorak, Bells; Janet Hazen, Frenchhorn; Sandy Hixson, Marsha Maust, Rose Muzina, Stanley Zadylak, Clarinets; Elaine Livengood, Patricia Marne, Trombones; Rodney Sturtz, Baritone; Jackie West, Percussion.

"SCOTTIE CHEERLEADERS"

"Fight, team, fight!" When we hear this yell we know to look for our eight lovely cheerleaders. Be it at football or basketball games, these five seniors and three juniors add their zest and able leadership to each game and cheer. Snake parades give them a chance to fill both students and team with pre-game excitement and a determination to win.

This year, for the first time, the pep meetings were given a unique attraction when the cheerleaders combined with the majorettes in working out several various routines and added features, including a mock football game for the tussle with Ramsay. In this the senior cheerleaders and majorettes, as the Scotties, versed the underclassmen, as Ramsay.

They truly deserve the credit we give them as they gave many hours of their time to daily practice during the summer months. Along with this, they were faithful to their annual job of helping to serve lunch to the football players during pre-season.

We're always proud to claim these girls in their blue pleated skirts and white crew-necks in football season. However, we are no less proud of them in their trim blue jumpers and white blouses for basketball games.

Whether introducing new cheers or giving their all for the older, traditional ones, our cheerleaders make the grade at all times in living up to the reputations we give them-that of being lively and pretty girls who consider it an honor to take so active a part in urging their team on to victory.

"SCOTTIE LASSIES"

It's quite obvious from the results of the half-times of football season that these girls truly live for this time of year. Practice during the summer, and marching with the Scottdale Firemen's Band, also during the summer, help hasten the season and its performances with the band.

This year's attractive squad is composed of three seniors, three juniors, and two sophomores. They have shown the best sort of teamwork in mastering the routines. Snake parades, as well as town parades, found the girls always on hand to add a little color. Once again they helped serve the football players during preseason.

Pep meetings were garnished with several routines, including a cha-cha, worked out to band cheers and marches, which they performed for the first time as one combined group with the cheerleaders. One special pep meeting was conducted with an exchange of the two groups.

The cheerleaders, in majorette outfits, led the band into the gym, while the majorettes donned the blue and white to lead the students in cheers.

The student body always displays pride in our pretty, high-stepping majorettes whether they're appearing in their skirts, boots, and alternating red and white crewnecks for pep meetings, or in full dress uniform at games. Indeed, this last one, modeled after traditional Scottish garb, always proves an eye-catcher and brings a round of applause especially while the girls do their ever-popular Highland Fling at half-time.

Scottdale High has reason to be proud of their lovely Scottie Lassies who have won the privilege of holding these honored positions.

SENIOR DRAMATICS

"The Egg and I," a comedy based on the book by Betty MacDonald, was presented by the senior dramatics group on Friday, April 28, 1961 in the Scottdale High auditorium.

"The Egg and I" is a humorous account of the struggles of a lovable family with the Mighty Egg. When Don MacDonald buys a chicken farm in the Olympic Mountains without consulting his wife Betty, trouble is sure to arise. But when Betty and her daughters Joan and Anne see the place, things are even worse. They have none of the facilities of city life, there are no boys for the girls, and the only thing that anyone ever thinks or talks about is eggs, eggs, eggs. Little things grow bigger and bigger until Betty and the girls are ready to admit defeat, but they soon realize that they can't be quitters.

The play, under the direction of Mr. Ralph Stone, is the humorous account of a family who cope with the egg and learn to like it.

John Porinchak and Barbara Banks portrayed Don and Betty MacDonald. Janet Hazen and Kathy Babiak played the two daughters.

DISTRICT ORCHESTRA

Scottdale Joint High School was the host to the Western District Orchestra Festival held January 19, 20, and 21, 1961. The orchestra was comprised of one hundred forty-seven musicians representing thirty-two high schools in southwestern Pennsylvania.

Guest conductor for the festival was Stanley H. Levin, who is director of the All-City High Schools Orchestra of Pittsburgh. He received his B.S. degree at Duquesne University and his M.A. degree at the University of Pittsburgh. He has done graduate work at Columbia University and the Julliard School of Music and also studied on a scholarship at Tanglewood, Mass. He was a student of Sergei Koussevitzky, Leonard Bernstein, and Oscar Del Bianco.

Sixteen students of the Scottdale Joint High School participated in the orchestra festival. They are: Eric Alderfer, Carol Banks, Janet Hazen, Janice Merritt, Nina Stull, violins; Judy McCracken, viola; Lois Stull, cello; Jackie West, bass; Barbara Banks, oboe; George Andrews, George Higgins, Mary Ann Horvath, Sharon Maust, Patricia Nudo, William Romesburg, percussion; Beth Stimmel, piano, xylophone, and bells.

The orchestra presented three concerts — Friday afternoon for the student body, and Friday and Saturday nights for the public. The success of such a festival requires much time and hard work on the part of many people. We would like to express our thanks to the members of the Board of Education, Administration, Faculty, and Students of Scottdale Joint High School. Special thanks are extended to the many citizens of Scottdale who so graciously opened their homes for the visiting students. And may we express most of all our thanks and best wishes to Mr. George Hazen who as District Host, worked so hard for the success of the festival. May we compliment him on his fine efforts and say, "Well done."

TRACK

The 1961 track season at Scottdale Joint High School gives evidence of being a very successful one. Coach Jerome Marco will have eleven returning lettermen from last season's Class B W.P.I.A.L. Championship squad. The loss of Joe Kubic, Scottdale's excellent miler, will be felt greatly by this year's team. Nevertheless, Coach Marco is being hopeful that the boys will continue their winning ways. The team will be very strong in the field events with Dom DeSantis in the discuss, Lee Weimer in the shotput, Ed Dunkard in the pole vault, and Paul Pifer in the high jump, leading the way. John Terry and Vaughn Palmer are two very capable performers in the running events. Some of the other returning regulars are Jim Nudo, John Brilhart, Walt Saltziak, Tom King, Gary Leonard, and Terry Malone.

Because of the schedule set-up of the yearbook, we are unable to show the results of the track meets.

The 1960 football campaign was a little on the lean side as far as wins were concerned for Scottdale Joint High School. Under the guidance of Coach Joseph Gratson, the Scotties compiled a 2—7 record. This, however, does not indicate the type of football the team displayed throughout the season. Due to graduation losses, Coach Gratson had practically a complete rebuilding program facing him. Jim Newell, Terry Malone, Dom DeSantis, Vaughn Palmer, John Terry, George Dayoob, Tom Demegall, Harry Firmstone, Tim Reese, and Tom Lowstetter were the returning lettermen.

The 1960 Scotties started the season by defeating two of their first three opponents: Rankin and Somerset, while losing to the powerful Hurst team. Following these three games, injuries began to plague the team. The entire backfield and several of the linemen were injured at one time or another throughout the remaining six games. The team battled boldly, but couldn't manage to gain another victory.

The graduating members of this year's squad are: Dom DeSantis and Terry Malone (co-captains), plus Vaughn Palmer, Tom Lowstetter, George Dayoob, Harry Firmstone, John Terry, Tom Demegall, Jim Newell, Bob Kiliany, Jim King, Denny Korba, and Tim Reese.

Quarterback Dom DeSantis and tackle George Dayoob were given honorable mention on this season's All-County Class A team.

1960-1961 BASKETBALL SEASON

The 1960-61 Scottdale High School Basketball Team experienced one of the most disheartening seasons in the past ten years. This season's squad had only 3 returning lettermen from last year's team and this lack of experience was a big factor in the team's record. Co-Captains, Denny Fite and John Brilhart, along with regular Jack Bluhm comprised the nucleus of the team. Coach Mehallick was forced to play sophomores throughout the season, and the team simply couldn't contend with some of the stiffer competition in section 17. Denny Fite was the team's leading scorer with 281 points, followed by John Brilhart with 229. The remaining members of this year's team were Dom DeSantis, Gib Hall, Melvin Smith, John Wable, Randy Cameron, Paul Barclay, Fred Halsted, and John Baker.

The Scottie Cagers completed the basketball season 4 wins and 18 losses with only two wins in the section, those being over West Newton and Dunbar.

Barbara Biricocchi

An unforgettable event of the 1960 football season was the crowning of the 17th Annual Gridiron Queen at the halftime of the Scottdale-Connellsville game. To the strains of the "Grand Triumphial March," our beautiful queen, Kathy Babiak, was preceded by her four lovely attendants, Judy Lewis, Jackie West, Barbara Biricocchi, Judy Ziemianski, and her little crownbearer, Dianna Zaffina, onto the field. Escorting Kathy to the coronation platform at mid-field were our two co-captains, Terry Malone and Dom DeSantis. Terry presented her with the traditional white satin robe. Then Dom DeSantis placed the crown on her head and officially made her the 1960-61 Gridiron Queen by kissing her. After the coronation, Queen Kathy and her attendants presided over the annual ball which was held in their honor in the gymnasium.

THANKS

Our gratitude is extended to all of those friends who have very charitably given both time and money to help publish this annual. Without their help we could not have begun to print this book. There isn't enough words to express the gratefulness of the senior class. We simply say Thank You.
